Fiscal Benchmarking Analysis (January 2004)

APPENDIX D

Fiscal Benchmarking Analysis Report

Introduction

Appendix D provides a copy of the Fiscal Benchmarking Analysis Report prepared by Economic and Planning Systems. The purpose of this report is to identify how the City can provide the desired levels of service to its residents. The analysis provided in the report includes a comparison of the typical costs other California communities face in providing similar public services and identifies the various revenue sources the cities collect to fund those services.
